

**RESEARCH PROPOSAL FORMAT
(Social Sciences)**

A. BASIC INFORMATION

- I. Research Title
- II. Proponent(s)
- III. Implementing Agency(ies)
- IV. Collaborating Agencies
- V. Project (PPS) Duration
- VI. Proposed Budget
- VII. Research Agenda
 - ☐ Transformative Learning
 - ☐ Livelihood Generation
 - ☐ Biodiversity Conservation
 - ☐ Climate Change Adaptation & Disaster Risk Management
 - ☐ Good Governance

B. PPS PROPOSAL PROPER

- I. Introduction(Rationale, background, and significance of the study)
 - *What is the study all about?*
 - *What do other authors say about the study?*
 - *What are the existing gaps?*
 - *How do you intend to address the gaps?*
- II. Objectives
- III. Theoretical / Conceptual Framework (Social Science Research)
- IV. Methodology
 - *Research Design, Locale, Respondents and sampling technique, Instruments, data gathering procedure, and statistical analysis.*
- V. References Cited
 - *Use APA for Social and Educational Researches and CSE for Natural Science, Engineering and Technology Researches*
- VI. Work Schedule (Gantt chart)
- VII. Expected output/ Deliverables
- VIII. Budgetary Requirement
 - Personnel Services (PS)
 - Maintenance & Other Operating Expenses (MOOE)
 - Transportation & Travel
 - Supplies & Materials (detailed)
 - Trainings & Seminars
 - Other Services
 - TOTAL**
